

# **SCRIPTS FOR S4/S8 MEDICATIONS**

**The prescribing of S8 and S4  
medications will NOT be done on the  
first visit with the doctor.**

All the information related to medications must be provided  
prior to the appointment.

Please be aware that contacting other doctors/practices for  
information will take time.

Documents will be procured by us directly from the doctor  
treating you.

It is necessary that the patient is not registered with the Dr  
Shopper Hotline and is not currently participating in a  
Community Program for Opioid Pharmacotherapy.

Certain Schedule 8 medications cannot be prescribed by a  
primary care doctor.
